

Pressure & Temperature Requirement

*Inlet pressure range : 150 ~ 1000 kPa

*Maximum inlet water temperature : 40 °C

INSTALLATION INSTRUCTION

NCP603CCDD-EE

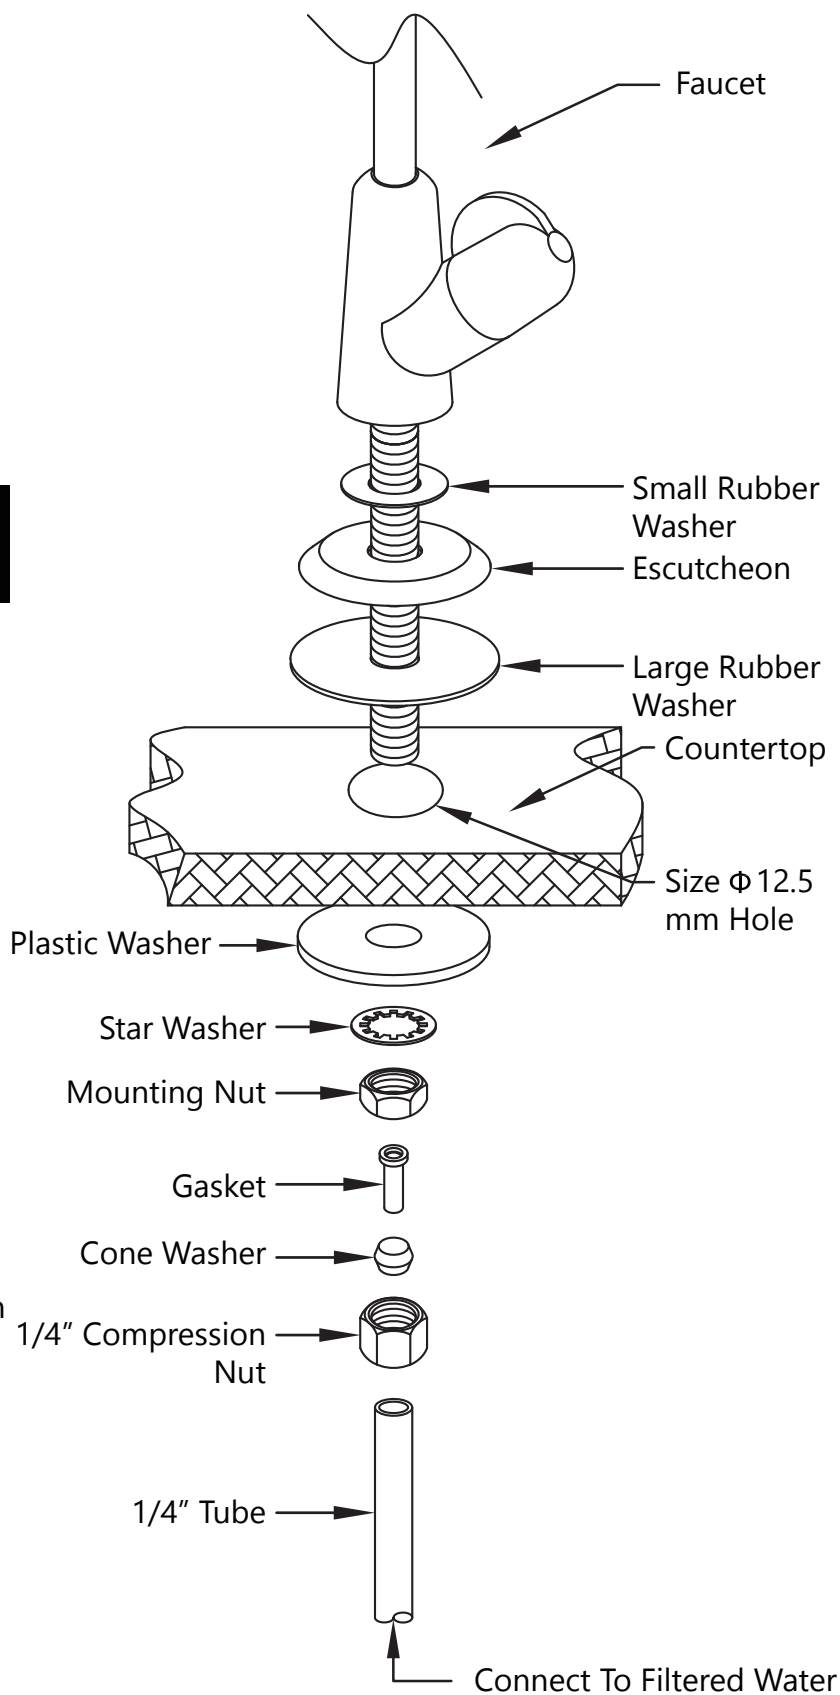

Important Notice Of Routine Maintenance And Care

- Occasional cleaning of aerator is recommended.
- Use of soapy water and a soft sponge or cloth is recommended.
- Avoid cleaning with chemicals, solvents, or harsh detergents. (THIS MAY SERIOUSLY HARM SURFACE AREA)
- If used with hard water or water with very high mineral content, it is absolutely necessary to clean and dry the faucet immediately after every use. (CALCIUM AND OTHER MINERALS COULD SERIOUSLY DAMAGE SURFACE AREA)
- When installing with filtration system with carbon filters or changing carbon filters, it's suggested to flush the filtered tubes from the system before connecting with the faucet to prevent possible carbon dust contamination into faucet cartridge to cause leaking.

CAUTION

Avoid sharp edges.

Warranty and Return Policy

1. Warranty: 2 year since the date of manufacture.
2. Likuan Hardware Industrial Co. warrants the products manufactured by Likuan that have defects in material can be replaced at no charge.
3. Warranty Exclusions (What the warranty does not cover:)
 - Any product, on which the manufacturing date has been defaced, modified or removed.
 - Products that have been damaged by accident, disaster, negligence, electrical surges, misuse, improper maintenance, abuse, or as a result of service or modification other than that done by Likuan Hardware Industrial Co.
 - Damage has been caused during the inland transportation at your end.
 - Consumable parts, such as ceramic cartridge, O-ring, washer, aerator...etc.unless product damage has occurred due to a defect in materials or workmanship.
 - Damage caused by accident, abuse, misuse, fire, liquid contact, earthquake or other external cause.
 - Defects caused by normal wear and tear or otherwise due to the normal aging of the product.

During the warranty period, product determined to be defective will be repaired or replaced with a new or remanufactured unit at no charge.

All returns will be tested. In the event a returned product is determined by Likuan to be not defective or not covered by the expressed warranty, Likuan will notify the sender and the product will be returned to the sender at the sender's expense. If the product is not defective, customer needs to pay a flat diagnostic and handling fee of \$30.00 because all products need to be shipped back to Taiwan for repair and test.
