

A SUPPORTING, CARING COMMUNITY

Our congregation is made up of
people of all paths: youth,
university graduates, families with
children, middle-age, and seniors,
**all seeking substance and life
meaning.**

Our minister and pastoral care team
welcome inquiries from **anyone in
need** of companionship, consolation
or support through prayer,
sacrament, or otherwise.

As we explore our faith we hope to
make a difference in the world by
supporting numerous local and
international **missions and causes.**

A PLACE FOR ALL

We worship together each Sunday morning at 10:30 a.m. and through the week as individuals and small groups.

Following a short time of family worship, **children** ages four and up are invited to join a leader in exploring our faith-based program involving stories, crafts, games and skits.

A supervised **nursery room** where the service can also be heard is available for children (and parents) up to age three.

A comfortable parlour room is available for **anyone** who wishes to listen to worship more privately, soothe children or sit at ease.

Adult study groups occur periodically through the year to explore faith, spirit, and meaning.

Various **community groups** also make use of our facilities throughout the week.

All services are **family friendly**, fully **accessible** with elevator and assisted listening devices available.

Friendly conversation, fellowship, and authentic community connections are a regular part of life at Grace. **Coffee hour** follows each Sunday Service and features a **Kids Korner** to entertain the children while parents socialize. Come and participate as you prefer.
