REF: Operations Report for June 2025

The Brookville Fire Department had another busy month in June, responding to a total of **219** calls for service. Of these, **176 were EMS-related** and **43 were non-EMS**.

This marked one of our busiest months on record, with call volume rising more than 65% above what we typically see in June. Our crews managed a wide range of incidents, including serious medical emergencies, vehicle crashes, service calls, mutual aid, and weather-related responses.

Fortunately, there were no fire incidents causing property loss within our district during the month.

So far, 2025 has been our most active year ever. We are actively recruiting new team members to help maintain strong staffing levels and meet the increasing demand.

This surge in emergency calls is not unique to Brookville—departments across the region are also seeing higher levels of Fire and EMS activity

Fires involving Lithium-Ion Batteries are on the increase nationally. The 2025 Fire Prevention Week theme is "Charge into Fire Safety: Lithium-Ion Batteries in Your Home." As we plan for our Open House during Fire Prevention Week in October, we will work to educate our community on the safe ways to coexist with Lithium-Ion Batteries!
