REF: **Operations Report for September 2025**

Brookville Fire and EMS crews responded to **182 calls for service**, including **142 EMS-related** and **40 non-EMS calls** during September. These numbers are consistent with a “typical” September., Crews handled less calls at Brookhaven when compared to other months this year. Calls for service year-to-date stands at **1,785**.

There were two dollar-loss fires in September. A skid steer fire on Brookville Salem Rd in Clay Township (pictured on page 2) caused an estimated \$10,000 in damages, and a small fire in a commercial vehicle on Westbrook Rd in Perry Township had approximately \$500 in loss.

Through the first three quarters of 2025, there have been **twelve** dollar-loss fires with an estimated loss of **\$48,850**.

Firefighters quickly extinguished more than half a dozen grass fires over a two-mile stretch of Westbrook Rd on September 22nd. The cause was a vehicle dragging a piece of metal on the pavement combined with the extremely dry conditions.

Brookville Firefighters responded to the 6900 block of Brookville Salem Rd on September 6th for a piece of excavation equipment on fire. Crews arrived to find a fully involved skid steer.

The unit was a total loss, but the fire did not extend beyond the excavator, and no injuries were reported.

Dollar loss was estimated at \$10,000 and the cause was determined to be electrical in nature.
