#GIVINGTUESDAY

PRAISE REPORT: Giving Tuesday!

Giving Tuesday is Tuesday, December 3rd

Black Friday, Small Business Saturday, and Cyber Monday are all ways we boost the economy by moving companies from the red to the black before the end of the year. Giving Tuesday is helping the non-profits to also move from red to black. Consider ways to give, to be a blessing this #GivingTuesday. Personally donate your time, talents, and treasures; instead of purchasing more stuff, make a donation as a gift honoring a loved one; and encourage someone else to support FCA ministry as well. Each gift, no matter how big or small, brings hope, support, and change. Let's come together this Giving Tuesday to make the world a better place. Tony, Ryan, & Eric are all having Giving Tuesday events, here is the link to Eric's live online event. <https://www.facebook.com/share/hS1crBXZS3HhS35G/>
Donate anytime online through this link <https://my.fca.org/> then search for the name of the minister.

FROM OUR DIRECTOR:

As we enter into the holiday season, the season of giving thanks and giving gifts - showing love. Plus, it is the season to reflect on the past year. I am reminded of the blessings God has given us, the reason for the season, and why we celebrate with loved ones as we do.

This verse from 2 Corinthians 9:11 encompasses how we are richly blessed and our response of gratefulness to the blessings. *"You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God."* Paul speaks to the church in Corinth about the abundant blessings God provides, not just for our own benefit but so that we can be a blessing to others. When we experience God's generosity, it changes us. We are not meant to hoard His blessings but to share them freely—whether that's our time, our resources, or our love.

We are reminded that God's provision isn't just about our personal enrichment. It's about how we can reflect His love through acts of generosity. As we give, whether materially or spiritually, it triggers a ripple effect of thanksgiving, glorifying God, and inspiring others to do the same. When God enriches us, it's not just for our enjoyment but for His kingdom's expansion.

How can you use what God has given you to bless someone else today? **Prayer** - Lord, thank You for Your generous provision in my life. Help me to see all I have as a gift from You, and to share it freely with others, so that Your name may be glorified and many will give thanks to You. Amen.

Ryan Eddy

*Lenawee
County*

Reflecting on November and looking ahead to December, I am thankful and grateful for the 'how' and 'why' of what God is doing. I can see how He is using people to impact and influence others. I can see the reason is to bring Him the glory and bring others to Christ. That has never changed. So, I'm looking forward to seeing more of God's provision in God's timing for God's people to be used for God's purpose on this journey with FCA.

Tony Alexander

There are a lot of things I love about getting to support the huddles around our area, but one of my favorite things is when the students hear the discussion question, there is a brief moment of silence, then multiple groups and tables start sharing their thoughts and responses about their faith. It can be easy for kids not to want to share or feel embarrassed to share, but God is moving through these students and they are diving deep in their conversations together.

*Monroe
County*

Hear from a couple of our students:

"FCA has gotten me involved with a group of people who share my same beliefs. Being around this group has helped me feel more confident in sharing my faith with others." -Summerfield HS Student

"Understanding the Holy Spirit is with me in my sport is like having my eyes opened, I see things & people differently than before." -Ida HS Student

In Him,

Tony - Monroe County Area Rep
