- 
- Hillsdale High School: Wednesdays during Lunch in Mr. Williamson's room ([joseph.williamson@hillsdaleschools.org](mailto:joseph.williamson@hillsdaleschools.org))

### By the Numbers:

- 20 Students per Huddle!
- 660 Students Studying God's work WEEKLY
- 1 Great Community Event: Tim Tebow Spoke at Adrian College
- 3 New School Huddles!

### Tim Tebow visits Adrian!

Tin was the guest speaker for CPC of Lenawee and gave an hour speech for students in the area. He did a great job reminding us of our purpose, decisions we make, and God's design for our lives.

Just a few examples of Huddles happening all throughout our four counties!

## FROM THE DIRECTOR: Eric Steinke

**“But thanks be to God, who in Christ always leads us in triumphal procession, and through us spreads the fragrance of the knowledge of Him everywhere.” – 2 Corinthians 2:14 (ESV)**

As we enter the month of Thanksgiving, this verse perfectly expresses my heart for what God is doing through FCA at this time. I cannot thank Him enough for the incredible growth and favor He has blessed our ministry. By following His leading, we are now reaching into **33 different schools across South Central Michigan**. Students are **seeking a relationship with Jesus**, and we continue to average around **20 students per Huddle**—that’s **more than 660 students** studying God’s Word each week! Thanks be to God that I get to witness and experience the *sweet aroma* of spreading the knowledge of Christ to every hungry student searching for love, truth, hope, and faith.

Even as we celebrate, I continue to **pray to the Lord of the harvest for more senders and workers**. God has blessed us abundantly, but to keep following His leading, we need your partnership. We need more **servant leaders**—please connect us with people you know in schools and churches. We need more **resources**—join our **Home Team of supporters**, become a **monthly donor**, and help **send us into the mission field**. Again, we say, *“Thanks be to God,”* for He will be faithful in providing the provisions we need. God creates each day full of opportunities, even creates us, and continues to equip us to follow His will.

Did you know God created the human brain to be wired so that it can’t be anxious and grateful at the same time? When we shift our perspective toward thankfulness, we push back fear and worry. So as you enter this season, I encourage you to pause and thank God for how He’s blessed you—to be a blessing to others. **How are you giving thanks to God this month?**

## HOME TEAM REPORT:

# MIS Michigan International Speedway

MIS planning is moving forward. I am still trying to figure out kids' activities to do in the campgrounds. I am also looking for a couple more volunteers to work in the infield this upcoming year, since MIS is opening a couple more tents in there.

I also had a great opportunity to travel down to Talladega Superspeedway this month and check out a different racetrack while participating in an FCA VIP Experience. I was able to talk with Ty Dillion, who agreed to work with me in getting a driver testimony card started. I also talked to a man who was running the Joe Gibbs Game Plan for Life booth. I shared what our FCA Motorsports group does at MIS and let him know we would be willing to partner with them if they came to Michigan. Lastly, I got to experience a fantastic VIP Experience and talk with the man who put it together. This event got my wheels turning about trying to put an FCA VIP experience together at MIS.

Thanks for all the prayers and support!

This month of October has continued to give us reasons to thank God and praise Him for the work He is doing in FCA.

I wanted to highlight a middle school student, Colton. In a busy week, the host teacher forgot the huddle was that day, and He stepped up to lead the devotional and prayer during the lunch huddle. When the teacher came back to his room, he found them talking about the lesson and closing in prayer. The students all agreed that because the teacher missed the Wednesday huddle, they would meet again the next day to have another one.

Our model of Engage, Equip, and Empower is foundational in all we do, and it is so encouraging to see students stepping up to live out their faith. It can be easy to feel defeated, but the encouraging word of a friend can lift up. I gave the challenge this month from Ephesians 4:29 to seek out someone and build them up with their words and actions, and to be on purpose about showing the love of Christ.

As always, I praise God for you and thank you for your support.

Lenawee  
County

Nearly all of our Huddles have launched, including our new Huddle at SMCC. It is a great group of coaches, staff, and students who want to dig into their Bibles, know Jesus more, and live out their faith. I'm excited for what is ahead with that group. The Bedford Huddle once again had a car for trunk or treat at the community event, which is a fun way to be in the community and serve it! Getting to visit with our Huddles is a true pleasure to watch Student Leaders, from all grades, and Huddle Coaches lead their peers through reading the Word and having meaningful discussion about it. Please pray for more financial partnership with our area, as the need has grown as the ministry has grown!

In Him,
