Exciting Start to FCA Ministry in Our Schools!

God is on the move as a new school year begins, and FCA is off to an incredible start! Across our communities, students and coaches are gathering in Huddles to pray, study God's Word, and grow in their walk with Christ.

Already, we've seen **113 students gather for Fields of Faith** to worship, hear student testimonies, the Gospel message presented by Miguel, FCA staff from the Dominican Republic, and encourage one another through prayer. Huddles are starting to **launch in three new schools**, while groups of anywhere from **15 to 90 students** circled around their school flagpoles to lift up their campuses in prayer. Weekly Huddles are thriving as well, with gatherings of **14, 15, 34, 42, 56, and 66 students** being encouraged in their faith.

Jesus said, *"Blessed are those who hunger and thirst for righteousness, for they will be filled"* (Matthew 5:6). Students are hungry for a real relationship with Jesus, and through FCA, lives are being transformed. Please join us in praying for continued boldness, unity, and a powerful movement of the Gospel on our campuses this year!

Because of this incredible growth, we also sense God's call to expand our leadership team. God has placed on my heart the vision of recruiting for this ministry year. We are praying for the Lord to raise up more servant leaders — new board members, additional staff, empowered volunteers, and faithful monthly senders — so together we can keep pace with the work He is doing. Would you join us in praying for God's provision and guidance as we continue to trust Him for the harvest? Please let me know of anyone who comes to mind as a servant leader. esteinke@fca.org

HOME TEAM REPORT:

*MIS

MIS ministry is still chugging along. I am looking for more volunteers in the infield and praying for the return of all our previous campground hosts. I am also still working on coming up with children ministry activities to do within the family campgrounds. I have a few ideas going but am trying to get a handful more. I will be traveling down to Talladega this month to observe their ministry down at that track. I am hoping to be able to take something from the Dega ministry and apply it to our ministry at Michigan.

My three main prayer requests for MIS ministry are that we can find the right volunteers, continue growing our ministry, and to be able to contact some Christian drivers this off season so we can roll out Driver Cards next year.

Thanks,
Megan Barringer - Ambassador

This September has created several opportunities for growth in Lenawee County. Praise God for our volunteer leaders in our schools for kicking off our existing huddles. We had 113 people who came to praise, pray, and

encourage each other to stand up for their Faith in their schools for our first Fields of Faith Youth Rally.

This led into the next morning, where we had another great response to students showing up for the See You At The Pole national day of prayer. We also have more huddles starting the first week of October and hopefully some new ones. Many plans and conversations are leading to more huddles in the coming weeks. I am encouraged to meet up with them and equip them for the first time this week.

Thank you so much for your continued prayer and support.

As the school year has kicked off, we have seen many of our Huddles already launch & some plan to launch shortly. the schools that have already launched are Ida HS on Tuesdays, Whiteford HS on Wednesdays, Summerfield HS/MS on Thursdays, Bedford HS on Fridays. Huddles that will re-launch soon are Whiteford MS during Wednesday lunches and Monroe HS during Wednesday lunches. A new Huddle launching in the start of October is SMCC on Wednesday mornings. As the school year begins would you please pray for each of these Huddles on the days they meet.

*Monroe
County*

Would you also pray as we are in need of more partnership to sustain this ministry in Monroe County and to grow beyond our current state. God is growing us in incredible ways and kids are owning their faith and their Huddles. Would you pray for protection and intentionality in each of the schools and communities.

In Him,
Tony Alexander - Area Rep
