Winchester New Allotment Holders Society
Election/re-election of Committee members - 2026 AGM

1. Introduction

The Committee encourages any member to get in touch regarding any of the roles listed below. We are always looking for new volunteers, whether in a central function, to help with the management of the sites, or on a Saturday/Sunday morning in the trading Shed at Park Road.

Without the help of our many volunteers, it would be impossible for the Society and the individual sites to continue in their current form.

You can of course volunteer at any time during the year, but if you would like to submit a Nomination paper for formal election at this year's AGM, please complete the nomination form included in the attached pack of papers and e-mail it to the Secretary, Charlotte Williams (admin@wnahs.org.uk) as soon as possible.

We are currently seeking a couple of volunteers to be **lay auditors**. These are appointed by the Committee, rather than voted on by the membership, and are responsible for checking the annual accounts before they are registered with the Financial Conduct Authority (FCA). It is a straightforward task and normally takes 2-3 hours once a year. No accounting skills are required!

2. List of members requiring formal re-election/election to the Committee at the AGM

Site address	Name	Committee member	Proposer	Seconder
To be elected at 2026 AGM:				
-	Anne Mullins	Co-Chair	Chris Pearce	Maria Keniston
