18th October 2026

Dear Member,

WNAHS AGM on Thursday, 19th November at 1900 hours - to be held in the Primary Phase Hall in The Westgate Lower School, Cheriton Road, Winchester, SO22 5AZ

PLEASE NOTE: This year we are again meeting in the Primary Phase Hall in the Lower School building. A map showing how to get there, along with a photo of the building, is attached to this pack of AGM papers. To get there, turn off Cheriton Road into the unnamed road signposted Westgate Badmington Centre. The Lower School building is approx. 80m up this road on the right-hand side. Limited parking is available close to the building.

As in previous years, please find attached background papers for the AGM. They include:

- The meeting Agenda, including…
  - Minutes of the 2025 AGM
  - Unaudited accounts for 2025/26
  - Updated Constitution & Byelaws
  - Re-election/Election of Committee members
- Nomination Form for election to the Committee
- Map showing how to get to the Westgate Lower School

Please bring your own copy of these documents with you to the AGM as, in order to save paper and money, we will not be making copies available on the night.

The meeting will start at 7.00pm and include a short break for refreshments (tea/coffee and biscuits).

Our guest speaker this year will be Lucy Lewis from Sparsholt College, who will give an insight into the work involved in designing and building their medal-winning Chelsea exhibits.

We look forward to seeing you all there.

Kind regards

Chris Pearce
Chair - WNAHS
