

Privacy Policy

Effective Date: [TBD]

Company: Dynamic Photon Innovations, LLC

Website: <https://www.dynamicphotoninnovations.com>

1. Introduction

Dynamic Photon Innovations (“we,” “our,” “us”) respects your privacy and is committed to protecting the personal information you share with us. This Privacy Policy explains how we collect, use, store, and share information when you visit our website, communicate with us, or engage our consulting services related to industrial laser applications.

By using our website or services, you agree to this Privacy Policy.

2. Information We Collect

We may collect the following types of information:

a. Information You Provide Directly

- Name, company name, and contact details (email address, phone number, mailing address)
- Project inquiries, RFQs (Requests for Quotation), or technical requirements you share
- Billing or payment information (if applicable)
- Any messages or files you send via our contact forms or email

b. Information Collected Automatically

When you visit our website, we may automatically collect:

- Your IP address and browser type
- Device information and operating system
- Pages visited, duration, and referral source
- Cookies or analytics data (used to understand website performance and improve user experience)

We do not use this data to personally identify you.

3. How We Use Your Information

We use your information to:

- Respond to inquiries and provide consulting or technical services
- Develop project proposals, quotations, and deliverables
- Improve our website and service offerings
- Send administrative information or updates about our services
- Comply with legal or contractual obligations

We do not sell, rent, or trade your personal information to third parties.

4. How We Share Information

We may share information only with:

- Service Providers: trusted vendors who assist with hosting, communications, or analytics (under confidentiality agreements)
- Business Partners or Contractors: when required for collaborative engineering, testing, or manufacturing support
- Legal Authorities: if required by law, regulation, or valid legal process

All shared data is limited to what's necessary and handled securely.

5. Data Security

We take reasonable administrative, technical, and physical measures to protect your data from unauthorized access, loss, or misuse. While no method of transmission or storage is completely secure, we strive to use industry-standard safeguards to protect your information.

6. Data Retention

We retain personal information only as long as necessary to:

- Fulfill the purposes outlined in this policy
- Comply with legal, accounting, or contractual requirements

Once data is no longer needed, it is securely deleted or anonymized.

7. Your Rights

Depending on your location, you may have the right to:

- Access, correct, or delete your personal information
- Withdraw consent for communications
- Request a copy of the data we hold about you

To exercise these rights, contact us at: info@dynamicphotoninnovations.com

8. Cookies and Analytics

Our website may use cookies or third-party analytics tools (such as Google Analytics) to improve performance and understand visitor interactions. You can disable cookies through your browser settings if you prefer not to share usage data.

9. Links to Other Websites

Our website may contain links to external websites. We are not responsible for the privacy practices or content of those third-party sites. Please review their privacy policies before submitting personal information.

10. Policy Updates

We may update this Privacy Policy periodically. The “Effective Date” at the top will reflect the most recent version. Continued use of our website after updates indicates your acceptance of the revised policy.

11. Contact Us

If you have any questions or concerns about this Privacy Policy or our data practices, please contact us:
