ONE THING WORTH KNOWING

Summer 2027 is a long wait. Our **Weekend Immersion** covers the same 200-hour certification one weekend a month, and the next cohort starts **September 12, 2026** — you'd be certified by the time the summer program begins. Same curriculum, ten mats, and you keep your job and your weekends free the rest of the month.

- ☐ Send me the Weekend Immersion details too — I hadn't considered it.

ANYTHING ELSE?

QUESTIONS, SCHEDULING CONSTRAINTS, OR ANYTHING YOU'D LIKE US TO KNOW

This is a waitlist, not an application. There's no payment, no obligation, and no place on it you can lose by thinking it over. When dates are announced we'll be in touch personally, and you'll have first refusal before the cohort opens to everyone else.
