

Containerized Blast Booths

40' WOLVERINE BOOTH

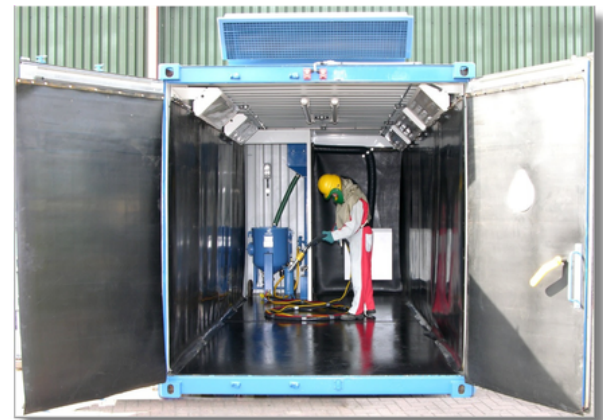

NSN: 4940-01-713-5800

VES PN: CB-WOLVERINE-40

CONNECT POWER, CONNECT AIR, START BLASTING!

Rugged & Transportable Blasting Solutions

- ✓ VES's containerized Blast Booths are made from converted shipping containers, providing an economical solution when a weatherproof and/or transportable blast booth is required
- ✓ Booth is 8.5' wide and is available in 20' or 40' lengths with options for 60+ FPM, integrated controls and high quality LED lighting
- ✓ Designed for end-to-end ventilation, air flows from the intake plenum in the ceiling, through the work area, and into cartridge filter modules at the opposite end of the booth
- ✓ Single operator blast system
- ✓ Doors are included at one end of the booth, ~ 8' x 8'
- ✓ Rubber lined walls for sound dampening and all media use
