

St. John's RaiseRight Program (Formerly Scrip)

Same Program/New Name

RaiseRight is a no-selling program that enables individuals/families to raise money for St. Johns Church and School. It is just another way to pay for everyday purchases using gift cards in place of cash, check or credit cards. So, by planning ahead on your regular purchases for your family you can easily give back to St. John's Church and School.

How Rebates Are Earned:

You purchase gift cards from the organization at face value and the coordinator orders those cards through Great Lakes Scrip Center or the participating local businesses at a reduced price. The difference is an instant rebate to St. Johns.

Where Do Your Rebates Go?

1. 50% of all rebates are automatically credited to St. Johns. The first \$5,000 goes to our St. John's Eagles Boosters which provides \$ for classrooms and technology, the library, our athletic programs, etc., at the school. Anything earned beyond this goes to the general fund account for the church.
2. The other 50% can either go to the church OR it can be used to help reduce a child's tuition. All rebates earned from July 1st until June 30th will then be reflected on the following year's tuition summary for the family.

In 2021-2022 were blessed to be able to use the rebates earned by St. Johns in the following manor:

\$5,000.00 – St. John's Eagle Boosters

\$3,063.55 – Family Tuition Credits

\$963.41 – St. John's General Fund

While we have seen a decline due to COVID 19 in sales from past years, with the overhaul of the program from Scrip to RaiseRight we are seeing more and more families use the program.

New This Year!

We have expanded our RaiseRight program so that if you are planning on sending your child to St. John's School but your child is not old enough to be enrolled yet you can start collecting refunds now to use when your child is enrolled at school. Example: You just had a baby so now you can use RaiseRight to collect rebates all the way until they are three and enter 3K. That's three years of rebates collected! The deadline to use the collected rebates is when your child enters Kindergarten. At that point, if not used, the funds will be contributed to the general fund or rolled over to a younger child.

With all the updates RaiseRight has made to the program it is easier than ever to use the program. You can now purchase cards using one of the following options:

- ? Online at www.raiseright.com – here you can order either physical cards that will be sent to the church office or to your home if that is an option for that card or e-cards that will be sent directly to your email address.
- ? Purchase physical cards at the church office and before/ between church services. Special orders can also be done at the church office and will arrive in the next weekly shipment.
- ? Use the new RaiseRight mobile app. Here you can browse bonuses, search for specific brands, shop by category and more. When you are ready to check out you just use the secure online payment system, and the e-cards are delivered to the app within minutes and the physical cards will be sent to the church office in the weekly order or to your home if that is an option for that card.

We encourage everyone to investigate using the program. If you have any questions about the program itself or how to get started, please feel free to reach out to me at roxieanded@gmail.com or by phone at 920-342-0441 and I can get you all set up.

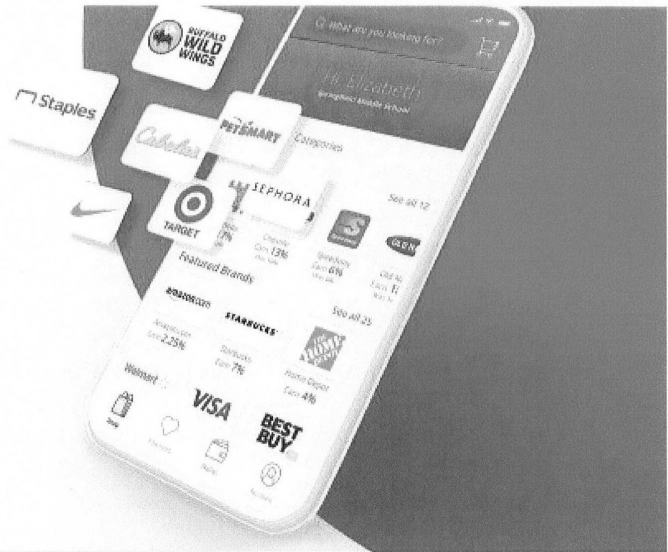

Thank you everyone for your continued support of the RaiseRight program and we look forward to having more individuals/families take part in the program.
