UNIVERSITY

EXTENSION

Ohio State University Extension is part of The Ohio State University College of Food, Agricultural, and Environmental Sciences.

Help Us Keep Oak in Our Future!

The Ohio Woodland Stewards and A Day in the Woods programs welcome you to a field day all about oak forest management. This program is graciously hosted by Randy and Koral Clum at their Hepatica Falls Tree Farm. Randy and Koral have worked hard to restore and manage oaks on their tree farm and we want to share their efforts! Participants will leave this workshop with strategies and knowledge about how to manage oaks on their property for multiple objectives, including healthy forests, diversity, timber production, and wildlife habitat creation. *This workshop will be outside.*

Class fee- \$15 (covers lunch and class materials)

To register online, visit go.osu.edu/oaks25
