THE HAYNES
MISSIONARIES TO IRAQI KURDISTAN

*All the mighty volumes of philosophers are trifling to the Bible.
They give no account how sin can be pardoned, or the dead raised,
but the sacred volume informs us how the first can be,
and assures us that the last shall take place.*

John Leland

•Answers to Prayer

We simply could not have anticipated the outpouring of love and support from all of you. When we let it be known that a generator was needed the response was overwhelming. It was such a joy to give the funds to the men in the church and watch them take over the installation. One of the men in the church has a knack for a good deal and he was able to acquire not only the generator, but also to have the entire place rewired. We are now able to run fans in each room and keep the entire building cool! Church services in Iraq are a completely different experience when air conditioning is present! Thank you for your love and generosity for the precious people of North Iraq.

•Church Update

One of our young men preached his second sermon in our first "5th Sunday Family Fellowship Night." He had 5 minutes and preached a challenging sermon from 2 Peter 3:9. We do not use names in our letters, but this young preacher is on fire to see his family saved. He has been bold to the point of endangering his own safety and we are excited to see the Gospel made real in his life. Please pray that God will call this young man as a pastor.

More first time visitors

There were 4 first time visitors in last week's service alone! Our church members and attendees are excited about what is happening at Light of Life Baptist Church and it shows.

New Members

God willing, we will be adding 5 new members to the church in just a few weeks.

There are some in our congregation who need to be baptized. Please pray that they will be receptive and obedient.

As always, we ask for your prayers that God would make us effective in the ministry of the Gospel.

****Urgent Prayer Request****

Our church is facing it's greatest challenge to date. The circumstances of the Devil's attack are quite serious in nature and we would covet your prayers.

We desire to do only those things that would please the Lord and result in his glory.
