**THE HAYNES**  
MISSIONARIES TO IRAQI KURDISTAN

## Ministry Update

### *Muslim Outreach*

Bro. A\_\_\_\_, who is a convert to Christianity from Islam, went visiting for the first time! He invited some Muslims to come to church and they said yes! He then asked me if he had done "visiting" the right way. Both of those he invited showed up to the next service! One of them has continued to attend only missing one service since! That person (for safety reasons we use as few pronoun markers as possible) expressed an interest in baptism and becoming a Christian. One of the leaders in the church told them, "That's great! Let's meet at your home and talk about Jesus' death, burial, resurrection, and the fact that he is the Son of God first." When (not if) this person

believes it will be a second level outreach from the church. One who came to faith in the church went out and reached someone else. That's the future of the church!

### *Light of Life Baptist Church*

God has been so good to our church! As I type this we are preparing for another (what an exciting word) baptismal service! This will mark our third baptism this year and we are rejoicing!

There are several others coming to the services who need to believe and some who need to be baptized. Please pray that God will continue to convict and move in both of these areas.

**Exciting times in North Iraq!**

### *Children's Church Need*

Praise the Lord that there are more families attending the services to the point that we are running out of space! There are so many children attending with their families that the need for a children's church has become apparent. It is by reaching, teaching and training these children that Light of Life Baptist Church will continue to the second generation and beyond.

We are in need of \$2,500 to renovate a space and purchase materials. Our men will do the majority of the labor and we thank God for their hearts of service. We thank you in advance for your generosity and faithfulness in supporting the ministry of the Gospel in North Iraq.

*As always, we ask for your prayers that God would make us effective in the ministry of the Gospel.*
