BALLOT INITIATIVES

VOTE NO CI-132 Amends the MT Constitution to require judicial elections remain nonpartisan.

- Keeps Voters in the Dark about a Candidate's Judicial Philosophy
- Protects Activist Judges by hiding behind a "nonpartisan" label
- Denies Judges their Constitutional Right to Freely Speak and Associate if they choose.
- Lack of Transparency

VOTE NO CI-133 Changes the MT Constitution removing requirements on Ballot Initiatives

- Promoted / funded by leftist "dark \$\$" groups outside of MT and MT ACLU
- Seeks to loosen the guardrails to make changing our MT Constitution easier
- Circumvents our Elected Legislature

VOTE NO I-194 THE MONTANA PLAN - IS A TRICK!
Attempts to remove outside corporate \$\$ from MT elections, but fails drastically

- Funded by "Dark \$\$" and promoted by leftists like AOC, Pete Buttigieg, Sam Forstag, & Jon Tester. Also being pushed in NY, CA, CO, and HI.
- Would be challenged under a previous U.S. Supreme Court ruling as unconstitutional
- Prevents MT businesses and associations from participating
- MT Chamber of Commerce opposes.

VOTE NO GALLATIN CO ELECTIONS
Gallatin County Ballot Question: *Should we change county elections from partisan to nonpartisan?*

VOTE to continue running County Elections on a Partisan Basis. Why? • Nonpartisan elections reduce crucial Voter knowledge & allows candidates to hide their governance views & ideologies. • Current option to run as Independent/3rd party. • Reduces voter participation by 10-15% . • Increases mistaken voting.

BOZEMAN IMPORTANT TO **VOTE ON ALL 4 QUESTIONS:**

BALLOT CHOICE 1: FOR ADOPTION OF THE AMENDED CHARTER (KEEPS THE COMMISSION-MANAGER SYSTEM, MODERNIZES THE MAYOR'S ROLE, OPENS THE GATE TO BETTER NEIGHBORHOOD REPRESENTATION.)

BALLOT CHOICE 2: FOR EXPANDED SYSTEM - 6 MEMBERS + MAYOR (MORE LOCALIZED REPRESENTATION)

BALLOT CHOICE 3: FOR COMMISSIONERS ELECTED BY WARDS (GUARANTEED GEOGRAPHIC REPRESENTATION)

BALLOT CHOICE 4: FOR ELECTED BY VOTERS RESIDING WITHIN THE WARD (LOCAL CHOICE/DIRECT ACCOUNTABILITY)
