

Seasonal allergies won't stop you this year!

Spring is in the air... and so is allergy season. Before you start sneezing, know that First Stop Health Telemedicine can help you keep your allergies under control. Here's how:

Talk to a doctor anytime, anywhere. It's 24/7 care that can be done via phone or video. Just request a visit for care in minutes!

Prescriptions* when appropriate, including for over-the-counter allergy medications that may be covered by your insurance, HSA or FSA.

Keeley Companies provides telemedicine to all employees and their immediate family members for FREE.
