

# PODERE GAGLIASSI

MONFORTE D'ALBA - ITALIA

## *Barbera d'Alba*

**Type:** Red

**Grape Variety:** Barbera d'Alba

**Production Area:** Monforte d'Alba

**Altitude:** 400-450 m above sea level

**Harvest:** Selection and manual harvest at the end of September

**Vinification:** destemming, fermentation, and maceration on the skins in stainless steel tanks

**Aging:** in stainless steel and in bottle

**Tasting and Color:** an intense ruby red color fills the glass. The palate reveals rich red fruit flavors and remarkable depth, accompanied by the balanced acidity characteristic of Barbera. On the nose, distinct notes of violet and black cherry emerge.

**Alcohol Content:** 14.5% vol

**Bottle Sizes:** 0.75 lt, 1.5 lt

**Serving Temperature:** 17-18°C
