Questions and Answers

Q. What is included in a *Veterans Burial Funeral Plan*™?

A. A complete funeral (*at funeral home or church*) includes your choice of one of the caskets pictured, embalming, visitation, funeral service, DVD tribute video, stationary package, and ten death certificates.

Q. Do you think prearranging is best?

A. Absolutely, yes. If death is "near need," call us or simply go to our website, www.RoseHillFuneralCare.com, click on the "Pre-Plan" tab, answer the questions and click "Submit." That's all you need to do.

Q. What if the death is after hours, on a weekend or a holiday?

A. We are available 24 hours, 7 days per week, 365 days every year. If a death has occurred, call us immediately.

Q. When do we pay for our services?

A. We do accept prepayment or you pay for your services after the death takes place.

Q. Do Social Security and veterans benefits apply to your services?

A. Yes. Social Security pays a lump sum death benefit of \$255 to spouses or dependent children. Disabled veterans, veterans dying in a VA hospital, or veterans receiving a support pension receive cash benefits from \$300 to \$2,000.

Q. What about burial in a veterans cemetery?

A. All veterans and their spouses are entitled to two (2) grave spaces, double marker, outer burial container, opening and closing, and perpetual care in any veterans cemetery in the country.

Q. What if our veterans cemetery is further away?

A. Consider this. Every veterans cemetery is a national shrine. It is an honor to be buried there. We feel the right place for a veteran and their spouse is to be buried in a national cemetery. It is an honor they have earned.

Q. How do I make prearrangements with *Veterans Funeral Care*™ of *Rose Hill Funeral & Cremation Care, Inc.*™?

A. Fill out the "Pre-Arrangements Form" online at www.RoseHillFuneralCare.com or simply call us to make an appointment and we can take care of all the details for you.
