To all the staff past and present good luck to you and thank you for being there for so many. You've been a great host, brilliant colleague and most importantly wonderful friends. You ladies always gave the best support and advice even after we left, and helped me to budget better and now I’m completely debt free, and that thanks to you all. I am grateful to have known every one of you, and I wish I was closer to say one final goodbye, my children love you all just as much as I do, I wish you all the very best and no words can ever express my gratitude and thank you’s to you all. “Awe I’m so sorry to be reading this; also as like many I also needed the help and support and I sure got it turning up at Jericho nowhere to go 24 years ago and 6 months pregnant leaving a vile relationship at the time; but how amazing the staff was and give me so much support that I needed. Absolutely incredible people you all are; I was very grateful for everything you all did for me and I’m going to be wishing all the staff, the residents and ex residents the very best.”
