We are looking to get our end of year events scheduled in the next couple of weeks. We have set a really high bar and intend to live up to that!

We are calling for volunteers to help plan and run both our Junior Presentation Day and our Youth Best & Fairest night of glitz and glamour.

If you would like to contribute your ideas, or even better be involved in the planning and running of the events please get in touch.

For our Youth B&F we really need some creative people who are keen to help with decorating.

🏆 SHOUTOUT TO OUR YOUTH CAPTAINS 🏆

We're proud to introduce our Youth Captains — a passionate group of young leaders who are stepping up to represent, inspire, and support our club both on and off the field. These players have shown outstanding commitment, teamwork, and sportsmanship, and have earned the respect of their teammates and coaches alike.

As Youth Captains, they'll play an important role in setting the standard, welcoming new players, and helping to build a positive and inclusive team culture. Keep an eye out for them this season — they're not just the leaders of tomorrow, they're making an impact right now!

STJFL Messages

Behaviour and Code of Conduct

It seems the above is an issue, with players and others in many age groups swearing and being abusive towards their opponents in the heat of the moment . This is in breach of the codes of conduct and this is not in spirit of the game.

It is essential that all players, coaches, officials, parents, and spectators uphold the principles of respect, sportsmanship, and integrity.

We kindly ask you to take this opportunity to remind all members in your groups, of the expected Code of Conduct. These standards are in place to ensure a safe, inclusive, and respectful environment for everyone involved in our sport.

Inappropriate language

Is not to be used by anyone to anyone (swearing, verbal abuse, vilification)

Anyone is everybody participating in or attending the game.

Interchange Bench / Coach Box

Players, coaches, and officials must stay 2 metres behind the boundary line at all times.

There is no reason to be standing on the boundary line.

There is to be no commentary or shouting out from the benches in respect to umpiring decisions in the game. (This may be constituted as dissent and penalties applied)

Only people listed on the team sheet maybe at the Interchange Area.

All Goal Umpires (all age groups U8-16) required to be wearing an STJFL Orange Vest / Jacket.

Club Field Umpires (u8-12) require to be wearing either an umpire shirt or STJFL Orange Vest or Umpire for Fun approved shirt.

GAME DAY

Players wearing skins under shorts require to be the correct skin tone colour.

(i.e. Black skins under red or white shorts is not allowed)

E points may be deducted from teams for incorrect attire.

Concussion Awareness and Management Survey

Hey Robins families and volunteers,

We're sharing this on behalf of researchers at the University of South Australia, who are running an important survey on concussion awareness and management in junior Australian Rules Football — and we think it's worth your time.

If you're a parent of a junior player (under 15 years) or a staff member or volunteer in junior footy, and you're 18 or over, the Brighton Robins would encourage you to take part. The insights gathered will help improve how concussion is recognised and managed in junior sport — something we care deeply about at our club.

The survey takes 15–25 minutes to complete, and you'll go into the draw to win one of five \$100 gift cards.

👉 Complete the survey here:

https://unisasurveys.qualtrics.com/jfe/form/SV_8uhtM2yILyAGOIC

If you have any questions about the research, you can contact lead researcher Hunter Bennett directly at Hunter.bennett@unisa.edu.au.

This project has been approved by the University of South Australia's Human Research Ethics Committee (Protocol: 207114).

Thanks for supporting research that helps keep our kids safe on the field.

2026 Club Feedback

Whether you're a coach, team manager, parent, or carer — your feedback and suggestions help us understand what's working, what needs attention, and what we might not even know about yet.

This form takes just a few minutes to complete. You're welcome to leave your name or respond anonymously — it's entirely up to you. All responses are reviewed by the club committee and used to help shape how we operate throughout the season and beyond.

Got something on your mind? This is the place to share it. 🏈
