## December 2025 Giver Letter

The fall semester is almost finished. The students are finishing up final exams and will head home on December 12<sup>th</sup>. Please pray for them as they return home to rest, work, and prepare for a new semester in January.

I thank the Lord for the good semester that He has given us. Just recently, I had a special devotional time with the students, and they shared many things they enjoyed over the last few months of school. I was encouraged greatly by their growth.

This month, we are endeavoring to raise \$225,000 in our annual EOY campaign to finish the year in the black and prepare for a needed dormitory renovation this spring. Every year, we depend upon the giving of God's people to meet about 35% of our budget needs. This enables us to keep our tuition and room and board affordable so students can graduate debt free. For this to continue, we will need to see the Lord's hand again. Please pray for this need and give if you feel led. All gifts are tax deductible and will go toward our mission of training God's servants for God's service.

Earlier this month, the Lord provided funding for us to purchase several music keyboards to meet some needs on our campus. When you require students to practice for music excellence, you have to provide them with the tools to do so. I thank the Lord for the friends who helped us on Giving Tuesday.

Several new students have registered for the spring semester, and we hope to see that number increase. Our registration is open for classes for the spring Step Ahead Program. High school juniors and seniors can take two tuition-free college classes and earn credit for high school and college. Many people have taken advantage of this program.

Over the Christmas break, I will spend much time preparing for the upcoming semester. Please pray that God will guide me in scheduling chapel speakers and other details. If we are going to have a successful year, the Lord has to lead us all.

It has been thrilling to preach on the birth of Christ in recent days. I hope that you and your loved ones have a Merry Christmas as you celebrate His birth and point to the cross. May God bless you for your prayers and support for ABC.

An ambassador for Christ,

Alton Beal  
President
