## January 2026 Giver Letter

Welcome to the New Year! 2026 is another opportunity for us to glorify God and share the Gospel. In just a few days we will open our doors to several new students and the rest of the student body as we start the spring semester.

Our semester will begin on January 19 with an opening revival with Will Geiseman and Paul Schwanke. Please pray that God will use these evangelists to stir the hearts of all who hear. The Lord uses these meetings to help establish the spiritual tone for the semester.

In February, we will be hosting our annual Valentine's Banquet with pianist John Randall on February 7. The next week, we will welcome teens to campus for College Days on February 12-13. If you have teens who are interested in serving the Lord, please encourage them to come for a visit during this free event. Visit the website for more details.

The Lord provided several digital keyboards and pianos for the college in the month of December. These instruments will either replace older ones or go into places that needed one. I thank the Lord for our music department and the dedication they have in training our students in music.

I am thankful to all who helped us in our EOY Giving Campaign. Without the help of supporters, we cannot do the work. In a day when more Christian colleges and their students are more dependent upon the United States Government, I thank the Lord for how He uses His people to meet our needs.

Your prayers as we start the new semester are much appreciated. Be sure to watch a chapel sermon or visit our website before the month is over. Thank you for supporting Ambassador Baptist College.

An ambassador for Christ,

Alton Beal  
President
