Dear Praying Friends,

Thank you for your continued prayers and support of our ministry here in Butte, Montana. God has continued to work in our family and our church over the past couple of months, and there is no doubt that your prayers have had an impact on that.

To start with, I want to share some exciting news: Devin officially graduated from high school on May 17th! We had our church members and some other families from the area come over for a graduation party that Saturday, where we presented him with his diploma. He was thrilled to graduate and is now working full-time at Walmart here in Butte. He plans to do that until he turns nineteen, then enlist in the Army. We appreciate your prayers for him as he takes these next steps in life.

We have faced some health challenges among our church members, but God has restored everyone's health at this time and even used some of those struggles to strengthen their faith in Him. God is good through all the trials, and we really should count it all joy when we go through the trials of life. Romans 5:3-4 says, "*And not only so, but we glory in tribulations also: knowing that tribulation worketh patience; And patience, experience; and experience, hope.*"

The weather has finally started to feel more like spring or summer here in Montana (depends on the day), and the men of the church, joined by a few other churches, went on a father-son camping trip into the mountains about a half hour north of here this past weekend. We had a great time fellowshiping and having a challenging devotional and testimony time around the fire.

Some have asked about my health, and I am now on a CPAP machine that seems to be helping greatly. My sleep apnea is responding very well to the machine every night. I appreciate your prayers on this matter.

We genuinely appreciate each of you who supports our ministry through financial contributions and/or prayer. Our family is grateful to partner with you in reaching the people of Butte, Montana.

In Christ,

Dustin, Melissa, Devin, and Lydia Beck
