Summer Prayer Letter

July 25, 2025

Dear supporting churches and friends,

Summer has just been flying by! This summer has been a mixture of traveling and down time. That is appreciated as our travel schedule will pick back up starting in September for the Fall.

We have had some exciting things happening at BPS the last couple of months. We recently had a Bible Publishing Summit where printing ministries around the U.S. gathered for a time of fellowship and were challenged to keep moving forward in printing God's Word. Also, BPS recently has printed two new languages for India, Vaiphei and the Zou Bible. It is exciting to have the opportunity to print God's Word in a language that has not had a Bible before! Pray that we can continue getting God's Word translated for those who do not have it.

This summer we were met with an unexpected home improvement project. We noticed the windows in our boys' bedrooms and our bedroom were growing mold in the window sill and were causing some health issues. We replaced the bedroom windows which has been a huge help with some very intense heat this summer. We need some help to pay these windows off and hopefully replace our living room windows as well before winter. This will greatly help us in the winter as these windows are not sealed well at all. We would greatly appreciate it, if you feel impressed to give towards helping us with this need!

Lastly, please be in prayer for our boys as we have some very important doctor's appointments coming up. Cameron will have two big appointments in August, and Quinn will have an appointment in September. Pray for Shannon and I to have wisdom, strength, and trust in God as we continue to care for our boys during this time. We thank you so much for your support in allowing us to be a part of this ministry!

Your missionaries,  
Tyler, Shannon, Quinn, and  
Cameron Bridges

*"He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him."*

PSALM 126:6
