

September 2025

Hello!

The summer has been super hot here in Texas! We thank the Lord that the school we meet in has air conditioning. We rejoice in all that the Lord has done since our first anniversary.

Our people have really caught on to soulwinning. It is exciting to see the growth in their lives and their love for souls. We have had over 30 souls saved since our last prayer letter. Because our city has experienced significant growth, there are numerous door-to-door salespeople. Our people have led many of them to Christ at their own doors. One of them even brought the salesman to church, where he had trusted Christ as his Savior at their door.

In the last weeks, we have had four new families come forward to join the church. We continue to have visitors almost every service. In July, we were privileged to have one of our supporting preachers visit for the weekend, Evangelist Craig Bryan, from the Ron Middleton Missionary Association. They have supported us from the start. He preached for us on that Sunday. A grandmother and her grandson attended that day. She said she had received a tract on her door from one of our ladies a year ago. Both she and her grandson walked the aisle for salvation. We never know when the people we meet at a door might show up.

We ask that you continue to pray that the Lord will bless us with a permanent location. The school where we meet has allowed us to use the facility for our Wednesday night services. It has really taken off. We are averaging over 50. The school has also almost doubled our rent. Ouch! We are grateful for the extra services and rooms, but we weren't expecting such a significant increase.

I would like to thank everyone for their ongoing financial support and prayers. We are so excited for fall. We have already begun a 20,000 door campaign with door hangers that say "This home has been prayed for by Lone Star Baptist Church." The response has been great, with many new visitors and calls expressing gratitude. Time is running out. We must be about the Father's business.

We love you all and are grateful for your friendship and prayers.

May God bless you all!

Kerby Campbell
