Executive Director

Dear Friends,

As this year draws to a close, our hearts are full of gratitude, and we want to take a moment to thank you for the vital role you play in the ministry God has entrusted to us through HELP Ministries.

Because of your faithful prayers and generous financial support, we have just concluded a very successful series of missions' conferences. It was a joy to see God working in the hearts of His people. He used the national pastors to encourage and challenge all of us in the recent meetings. We are grateful to report that all the men have now safely returned to their respective countries. We trust the Lord to continue bearing fruit through their lives and ministries for His glory.

As we reflect on the year, we are continually reminded that none of this would be possible without partners like you who stand with us—often unseen, but never unnoticed by the Lord. Your encouragement, prayers, and sacrificial giving have strengthened us more than you know.

Looking ahead, we are especially thankful for the opportunity to welcome our children and grandchildren home to spend Christmas with us. It's not very often that all of us are together in this manner so we are excited about this wonderful opportunity. Family is a precious gift from God, and we are eagerly anticipating this season of togetherness and joy.

Most of all, as we celebrate Christmas, we are mindful that Jesus truly is the reason for the season. We rejoice in the gift of our Savior, who brought hope, peace, and salvation to the world. It is our prayer that His love and truth will fill your hearts and homes during this Christmas season and throughout the coming year.

Thank you again for walking alongside us in ministry. We are deeply grateful to each of you and count it a privilege to serve the Lord together.

May the Lord bless you richly, and may you have a Merry Christmas and a Christ-filled New Year.

With grateful hearts,

Ron and Susie Cole
