If the Son therefore shall
make you free, ye shall be
free indeed. John 8:36

Dear Friends and Supporters,

"And we know that all things work together for good to them that love God, to them who are the called according to his purpose." (Romans 8:28). We are thankful the Lord permits all things for our good and the battle is not our but the Lord's.

On Labor Day Kathy fell while doing some cleaning and broke her wrist. The brake required surgery. Pray for her as she takes therapy.

Jacob Woods who recently got saved on visitation, then his wife Brittany, a few weeks later I was able to lead to the Lord. Pray for this young couple.

In October we were at Faith Baptist Church in Selmer Tn. They support us so I was able to share at their church mission's conference about the work in Lexington. I was also at Parkway Baptist Church in McCalla Alabama for their Missions Sunday. They are also one of our supporting churches. We thank the Lord for faithful support from these two churches.

We still have the need of a church building. Please pray with us that the Lord will very soon meet this need.

We continue with door knocking visitation ministry. We have encountered some people who have not liked our church visitation.

Please pray for the Word of God to fall on good ground.

I had knee replacement surgery on October 20th. I had been putting off this knee surgery for some time. I am now recovering and it has not been easy but God has allowed me to be a witness to the physical therapist. A special thank you to Brother Jimmy Pugh who has been preaching for me as I was away in a missions conference and now as I am recovering from surgery. He has been a blessing to me as well as the church.

I want to say thank you to all of our supporting churches and also to friends who have given to make it possible for us to be here in Lexington and work to plant Lexington Baptist Church. We also want to thank those who hold us up in prayer. Pray we will abide in Christ and increase our faith! May the Lord bless you.

Yours for Tennessee,
The Cooks
