Dear Bro. Broyhill and Calvary Baptist Church:

It is our joy to greet you and update you on our ministries at Gospel Broadcasting. Let me update you on a matter that we discussed in our last prayer letter—our new fm radio station WGBI 90.9 FM that is licensed to Mount Airy, North Carolina.

Over the last few months, we have been in the process of trying to get the land for the tower rezoned. There have been numerous hurdles, but the petition to rezone the land for the radio tower will go before the Surry County Planning Board and the Surry County Board of Commissioners in June. If you are a registered voter in Surry County, North Carolina, we encourage you to attend these meetings. It is very important to have a good turnout. We will give you the dates, times and location of the meeting at the end of the letter. If they agree to rezone the land, we will then be able to purchase the property. This is a very, very important issue because we absolutely need this land rezoned. It is vital to get this FM station on the air. In the midst of the hurdles, we received a donation that will pay for the land! God has been good in the trail.

We believe that we are near the final stages of getting this station on the air. Once the petition to rezone is granted, it will be a very busy summer since we have a deadline of September 2nd to get this station on the air. Please, help us pray urgently about this project and about the meetings. God bless you.
