Dear Bro. Broyhill and Calvary Baptist Church:

We write to you with joy in the Lord because our new station, WGBI 90.9FM, is on the air! The station went on the air on Tuesday, September 9th. We do have, however, some audio issues with the station that we are still trying to work out. Please help us pray about this.

Also, keep in mind that our annual Sharathon is September 22nd-26th. We encourage you to listen and to participate. Sharathon is always an encouraging time as we hear how the stations have been a blessing to so many people. Churches, if you can send an extra offering that would be helpful and also individuals. You can listen to the Sharathon on any of our local stations or on the GBI Radio App or by going to www.gbiradio.org.

We are continuing to seek new church support. We have had the promise of new support. We have had some churches take us on, and we have also had some increase in our support. We would like to have other churches get involved in what we are doing. The fields truly are white.

I would like to share an excerpt from an email that I recently received from a Jewish lady.

"There are very few pastors I listen to. But I appreciate your direct style of explaining scripture. Not compromising or begging for money claiming prosperity rewards.... Our synagogue's Bible study group actually went through the book of Matthew to see if He taught the same statues as Moses. The class agreed He did and followed up with the other 3 gospels. Just wanted to say thank you for your uncompromising style of explaining scriptures."

She is hungry for the word of God. I hope that she will continue to listen. Please pray for this dear lady. God bless you all, and remember, that we are sowing the seed together not knowing where we will reap the harvest, but we will reap.

Your friend in Christ,

Bro. Ricky Cothren
