

# THE DIGIACOMO FAMILY

Lifeline Baptist Church

FUNDAMENTAL BAPTIST WORLD WIDE MISSION

January 2, 2026

Dear Praying Friends,

Thank you for praying for us through the Christmas season. We had several visitors of which we are hopeful will produce fruit in the months to come.

We had one saved this past month. This is a young lady who is the neighbor of some of our faithful members. They have been bringing her to church with them. In fact, over the Christmas season, her family came to church. We are very thankful that they came. English is their second language and communication is a challenging. I am hopeful they continue to come, but the language issue may prevent this from happening. With that said they are very happy their daughter, who is more fluent in English, is coming. Pray that we can minister to this family.

Thank you for praying for our visitors. I was able to meet with one of the people that I asked you to pray for. His name is Jesyah. I had a very nice conversation with him, and he gave testimony of being saved more recently. Please pray for him to continue to come and grow in his relationship with the Lord.

This Christmas season we had a Cantata that was put on by the LCA students. They did a wonderful job! We had two viewings of the show and had a full house for both. This event brought many visitors, and we are very happy about that. Not only did the kids do a great job, but there were many adults who put a lot of work into this show. I was very thankful that all I had to do was show up, welcome everyone, and give a brief gospel challenge at the end. It is a blessing to see God's people growing and taking leadership!

The prison ministry and Sheriff Chaplaincy continue to go well. We have missed a few services at the prison because of the holidays, but in general the services are going well. We have a stable group of 4-5 that come out at the camp. In my last service on the inside portion of the prison we had around 70 inmates, which is very good. Probably a high number since Covid. At the sheriff department things are also going well. I have 3 officers that I need to schedule a ride-along with after the New Year, and I have been able to have more personal conversations with multiple officers that deal with various issues in their personal and professional lives. Pray that I can continue to help these officers in an effective manner and in a way that brings glory to the Lord.

Thank you Calvary Baptist Church for the support of \$375.00.

God bless,  
Pastor Chris DiGiacomo
