Dear Friends, Supporters, and Prayer Warriors:

December 9, 2025

"For unto us a child is born, unto us a son is given... and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace" (Isaiah 9:6). As we enter this blessed Christmas season, our hearts are overwhelmed with joy and gratitude for the Gospel — the good news that began in a manger, continued through a cross, burst forth from a borrowed tomb, and now reaches the nations through the power of God! Christmas is the celebration of **that moment Heaven came down**. The eternal Son of God robed Himself in flesh so that sinners might be robed in righteousness. He entered our world so we could enter His. What a Saviour! What a Redeemer! What a reason to rejoice!

And how glorious it is to know that this same message — the message of hope, peace, forgiveness, and eternal life — is now going forth 24 hours a day, across continents and languages, through *The Gospel Film*. Every impression is a knock on the heart. Every view is an invitation of grace. Every testimony is a miracle of Christmas — God giving new birth to all those who call upon His name in absolute faith.

The Gospel came across the feed of **13,302,956 individuals** and received **10,536,804 views** with **129,949 reactions**, **10,327 shares**, and **1,274 professions of faith** that we know of. To God be the glory! Here are just a few of the testimonies we received this month:

- *"Lord Jesus, thank You for coming into this world for me. I believe You are the Son of God. Please forgive me and save my soul."*
- *"This message brought peace to my heart. I cried as I prayed. I accept Jesus Christ as my Saviour!"*
- *"For the first time I understand why Jesus came. I believe. Thank you for helping me find the truth."*
- *"God used this video to open my eyes. Jesus is Lord! I receive Him with all my heart."*

A few weeks ago, my boys and I had the privilege of traveling to Mexico City for the official launch of "Redeeming Hope" into the Spanish language. ("Redeeming Hope" is an hour-long evangelistic film *The Gospel Film Project* assisted in producing back in 2023.) We had incredible meetings! Specifically, that Sunday evening, I was able to preach to over 3,500 people in a packed auditorium with at least 50 souls trusting Christ after showing *The Gospel Film* in Spanish at the end of my message! (All professions of faith were public as those who accepted the Lord as their personal Saviour stood to share their decision. Many followed in believers' baptism.)

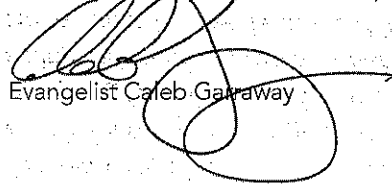

"And the gospel must first be published among all nations." (Mark 13:10)

Furthermore, I heard from a dear friend of mine in Pakistan who uses *The Gospel Film* (Urdu version) weekly for outdoor evangelism in remote villages. They've had a total of 322 people attend with 35 publicly accepting Christ! "One who trusted Christ tonight," he shares, "was a 68 year old woman who is very sick, sitting inside of the room of her brick hut on the bed but she was still able to watch and listen carefully. Her name is Rasheeda she said 'I never watch and heard about the Gospel of Christ as like this film. In my heart I know I find the true explanation of the Gospel here. Other pastors comes in our homes and they are just preaching and teaching about prosperity and works. But now I have heard the true meaning of Gospel. I am so happy to receive Christ and am praying for you that God may bless you more who made this film.'"

Lastly, I am excited to share that *The Gospel Film* was present at the Deaf Olympics in Tokyo, Japan. Soulwinners shared the video with people they met in both the ASL and Japanese languages. To God be the glory!!

As this year draws to a close, I am so very thankful for your partnership. Your prayers and generosity have helped carry the Gospel into homes, hearts, villages, cities, and nations across the world. God has used you to directly impact Eternity — where one day Heaven will reveal the full harvest. I am looking forward to seeing all that God will do in 2026! Merry Christmas from our family to yours! As we celebrate His first coming this Christmas, may it give us a sense of greater purpose as we continue together in the holy work of declaring the Gospel and His glory among the nations until the day the skies split open and our Saviour returns.

For the Lord's Glory & the Gospel's Sake,

Evangelist Caleb Garaway
