Dear Friends and Faithful Supporters:

October 16, 2025

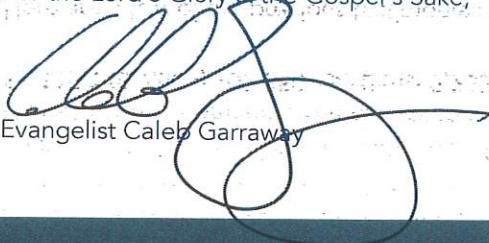

Psalm 96:3 declares, "Declare his glory among the heathen, his wonders among all people." What a thrilling command — and what a sacred privilege! Month after month, we are witnessing God's glory manifested among the nations as multitudes encounter the Gospel through *The Gospel Film*. While darkness deepens across the earth, the Light of Christ continues to pierce through the shadows, transforming hearts and homes one soul at a time. This past month has been nothing short of miraculous. From bustling cities to remote villages, men and women have been reached with the message of salvation in Afghanistan, Costa Rica, Dominican Republic, Puerto Rico, Belarus, Estonia, Lithuania, Albania, Cameroon, Gabon, Botswana, Namibia, Angola, and the United States of America. **The film came in one-on-one connection with 12,406,478 different people; received 11,115,178 views; 107,850 reactions; 9,263 shares; with 1,446 professions of faith.**

Here are a few of the precious testimonies we received this past month:

- Amen, what a beautiful movie, I love it and felt it reached the bottom of my heart. I accept the Lord Jesus as my personal Savior.
- While watching and listening to this I suddenly felt tears and presence I felt all the wrong things I have done. Lord save me, please Forgive me Lord Jesus thank you so much Amen
- I accept you from the bottom of my heart, Lord, amen
- God bless you for this great sermon, wow!!! This film has made me feel so good that I feel my heart. Thank you my God for erasing my sins.
- Amen what a beautiful video...yes I take the hand of my God. He is the savior.
- Thank you for this revelation. This comes to me in a moment of despair because I think God has gone away from me and I feel very alone in a sea of problems that I don't know how I can solve alone.
- Amen thanks for this video fills my heart! Amen beloved father I want to ask you forgiveness for my sins and be with you in eternal life

Every statistic and story represents a soul — a living, eternal soul that will now spend forever with Christ because someone cared, someone prayed, and someone gave. Thank you for being that someone. Your faithfulness is an essential part in reaching these fields white unto harvest. Let us not grow weary in well doing! The hour is late, and we must press forward together with even greater fervor. The power of God is not limited by borders, governments, or algorithms — and until the trumpet sounds, we must keep proclaiming His Word to the ends of the earth. Souls are in the balance!

For the Lord's Glory & the Gospel's Sake,

Evangelist Caleb Garraway

"And the gospel must first be published among all nations." (Mark 13:10)
