

JB & LINDA GODFREY

VICE PRESIDENT AND EXECUTIVE DIRECTOR

September — October 2025

Thank you for praying for Linda and me and supporting us. We enjoy serving the Lord together. He has been good to us.

I ended our last letter mentioning that I was going to Okinawa. On September 3, I flew from Chattanooga to Atlanta for a 13½ hour flight to Haneda Airport in Tokyo and then on down to Okinawa. It was my privilege to preach the 57th Anniversary Revival at Maranatha Baptist Church. I love being with our American service men and women. On the way back, I missed my flight back to Atlanta because of weather. I was able to rebook, but I had to go to Honolulu and then Atlanta. Spending 36 hours on planes and in airports is not fun. I made it home in time to wash clothes, and Linda and I started driving to West Jacksonville Baptist Church. Pastor Rodney Kelley and his church people are always a blessing.

The following Sunday, we spent with Pastor Joel Bixler and his folks at Temple Baptist Church in Lenoir, North Carolina. We love Pastor Bixler and his family. We came back home long enough to work in the office and do some radio programs and get ready for our next trip which would take us over 2,000 miles and to five churches. We drove all the way to the eastern side of North Carolina. We were at People's Baptist Church in Greenville for the funeral of our friend Pastor Doug Weber. From there we went to Faith Baptist Church in Elisabeth City. Next, we drove to Milford, Ohio, and spent a couple of days with our daughter Lydia and her family. We have six grandchildren there, including the youngest one. We do not get to see them much, so we always are glad to reconnect.

Our next stop was at the Missions Conference at First Baptist Church in Bryan, Ohio. We enjoyed our time with Pastor John MacFarlane and his good people. Several other BIMI missionaries were in the conference with us. The church treated us like royalty. Pastor MacFarlane and some of his members have come down to BIMI for the last three years to prepare meals for our furloughing missionary families during Enrichment Week. They drive a long way and work hard for a week to serve the missionaries.

We are *high mileage* and are trying to slow down a little. Please pray the Lord will continue to give us strength to do what we do.

Sincerely,

A handwritten signature in black ink that reads "JB & Linda Godfrey".

J.B. and Linda
