

**Partnering in the Work of  
our Lord's Great Commission**

January 2026

Dear Pastor Broyhill and Praying Friends,

**Turn thou us unto thee, O Lord, and we shall be turned;  
renew our days as of old.**

— Lamentations 5:21 —

Certainly, it is the Lord Who makes things new – and renewed. We thank the Lord for a new year to serve Him and see Him do more than He has done before! **THANK YOU** for praying and laboring together with us during our 34th year of ministry. We are filled with anticipation as we seek to fulfil God's will in preparing laborers and sowing more seeds in His harvest.

We continue to hold **MISSIONS EMPHASIS MEETINGS** in churches that are new to us; we are also blessed by those who ask us to return. Our primary prayer for these meetings is that God would call and that believers would respond and go!

Our 2026 college **MISSIONS MODULES** are Missionary Preparation and World Religions. We are asking the Lord to stir hearts and prepare the students for their upcoming deputation ministries and the spiritual battlefields in reaching souls for the Lord.

The churches and ministries in **ZAMBIA** continue to grow and expand. Your intercession is greatly appreciated for Pastor & Mrs. Zulu, the Tonga Bible translation team, and their ongoing work with the Tonga New Testament. Pastor & Mrs. Mazyopa covet your prayers as they continue ministering and training pastors and church leaders in Tongaland.

We rejoice in the blessings of ongoing **DISCIPLESHIP** and continued **SPIRITUAL GROWTH** in new Christians. We continue to pray for the **SALVATION** of Roedolf and other friends and family.

Please remember our online ministry and resources through [MissionsNow.info](http://MissionsNow.info). We thank the Lord for how He is using this endeavor.

We are grateful for your intercessory prayer for these requests... we truly appreciate your partnership.
