

Partnering in the Work of
our Lord's Great Commission

Patrick & Greta Gordon

November 2025

Dear Pastor Broyhill and Praying Friends,

If thou count me therefore a partner...

Philemon 1:17

Paul exhorts Philemon – and the church in his home – that they are *partners*. This word indicates true companions, those in close fellowship, and partakers together.

We count ourselves blessed to have such a partnership with each of you and your churches. Thank you for being our companions in the ministry throughout the years. Thank you for your close fellowship in the Lord. Thank you for partaking in sowing, watering, and the bearing of fruit together.

In addition to our focus on **MISSIONS**, we seek and pray and preach and teach the necessity of true Spirit-filled **REVIVAL**. With such personal and corporate revival, we will see a resurgence of missionaries being called and sent! Please pray with us for such revival.

As we are **Partnering in the Work of our Lord's Great Commission**, we are honored to:

- ♦ **Rejoice** with churches as they send out their own
- ♦ **Encourage** churches and pastors in their missions endeavors
- ♦ **Advise** churches and pastors who surrender to go themselves
- ♦ **Coordinate** churches in assisting other churches
- ♦ **Help** churches in sending their first missionaries

We thank the Lord for safe travels, fruitful meetings, and more opportunities. Recently, we have been in Florida, Alabama, Tennessee, Louisiana, and Missouri. Along the way, Greta taught a five-night children's group during Revival Meetings at our home church. The Junior Revival theme was *The Joy of Jesus* – and it was a joy to witness the Lord working in their hearts as they responded to His leading... and invited their friends. We also praise the Lord that her class helpers were students in these classes just years ago!

Your continued prayer partnership is crucial as we work with churches, pastors, young people, interns, deputies, new missionaries, and veterans on fields around the world. Please continue to pray for the Tonga (Zambia) Bible translation work and Pastor Rik Parcell's recovery from a near-fatal vehicle accident. Thank you.

In Partnership... Praying for More,

Patrick & Greta Gordon

Thank you!
