

**THE HEATHS NEWS LETTER**  
**April—May—June 2025**

---

**Jesus' answer to His earthly parents: Lu 2:49 And he said unto them, How is it that ye sought me? wist ye not that I must be about my Father's business?** There are at least five other times that He uses this imperative "**I must**" in the New Testament!!!

**May that "**must**" be the constraining factor in all of our ministries.**

**Dear Fellow Laborers & Supporters:**

Thank you for your prayers, love, and kind support for Brenda's and my ministry. We have been helping our home church pastor when needed. He has some health issues that may require surgery and some downtime. We do not have an assistant pastor at this time. When I am not scheduled to be with another church, I help him when needed.

I had the privilege of preaching a Missions Sunday in a church near Sanford, NC, that was a new church for me and our mission agency. They were really a blessing, and they loved missions. It is a small church, but great in potential, and it has a wonderful pastor.

I preached The Faith Promise Conference for my home church on June 8<sup>th</sup>. Our people love missions and missionaries. I also preached for a pastor friend here in Eastern NC, who is going through treatment for colon cancer, on June 22<sup>nd</sup>. Missions has been the "**I Must**" of my life for 57 yrs.

**Update on My Health & Micronesia**

I reported in my last prayer letter that I had seen a cardiologist in February. He ordered an echocardiogram to check my aortic heart valve. The test showed moderate wear in the valve. I am not having shortness of breath, nor chest pain, so I am now on a 6-month checkup schedule. Thank you for your prayers.

Gabe Eiben still has some inside work to do on the radio station in Pohnpei. He came home in May for Benjamin, his son's, high school graduation and will stay until he enters his boot camp training for the Navy. Benjamin is a fine boy and very smart, loves the Lord, and his country. He will be a good witness for his Saviour!!!

Pray for the president of our mission, Bro. John O'Malley. While in Scotland on a mission trip, he stepped down on uneven pavement and fractured his ankle. The Doctors predict 6-8 weeks of downtime. If you know Bro. O'Malley, you know he will be trying to trim a couple of weeks off of that prognosis.

We love you, dear folk,  
Dalton & Brenda Heath

**Luke 2:49b** "....that **I must** be about my Father's business"
