

December 31, 2025

Dear Pastor, Friends and Faithful Supporters,

Greetings from North Carolina on this beautiful last day of 2025. It seems the year has passed too fast. My daughter Tami was able to be with me for a few days in October for our birthdays and then for Thanksgiving and Christmas. The house always seems so empty when she goes back to South Carolina.

I had a pleasant surprise this Christmas. I received a call from Mexico, and two ladies from Pachuca were coming to visit me. It was to be a short, fast visit as Hna Petra is a diabetic and also has to have Hemo dialysis 3 times a week. She had to be back on Monday for her treatment. We had a wonderful time together while they were here and made some good memories. It was good to have Tami here at the same time because she did all the driving to the airport for me as I don't ever drive that far anymore.

I still continue my ministry of sharing the messages in Spanish from the Iglesia Bautista Maranatha in Pachuca to my Spanish-speaking friends. It is a joy to be able to keep in touch with them in this way, and I consider it a way to minister to those who I send the messages too. Most of them send a thank you for having received them.

La Iglesia Bautista el Calvario is planning to install Hno. Victor Qiroz as the new Pastor in January. He grew up with us in the Maranatha church and went with us when we started the Calvary Baptist Church. Victor called me a few weeks ago, and he asked me to record a message to the church and send it so he can give my greetings to the church. I am not very good at using my phone in that way, but I trust I will be able to send a short message in time for the service.

The Lord continues to meet my needs each day for which I am so blessed. I will be starting physical therapy on January the 8th to help relieve some of the pain I am having. I am not sure that is going to take care of my problema but I am going to give it a try. Thank you for your faithful support through your prayers and financial gifts. May you have a blessed New Year and continue to enjoy good health and joy in our Lord.

Sincerely yours ... Securely His,

Nancy Jessup
