

September 16, 2025

Dear Pastor, Friends and Faithful Supporters,

Greetings from North Carolina on this beautiful sunny afternoon. Today, the 16th of September, is Independence Day in Mexico. Yesterday the 15th would have been Tom's 85 birthday. Since the Mexicans begin celebrating on the 15th Tom's birthday was always celebrated in a big way, I used to joke that even the President of Mexico came out and rang the bells on his birthday.

I still continue sharing the messages in Spanish from the Iglesia Bautista Maranatha in Pachuca to my Spanish-speaking friends through Messenger. It is a joy to be able to keep in touch with them in this way, and I consider it a way to minister to those who I send the messages too. Pascual and Marissa's three girls continue to attend the services at Freedom Baptist. It was a blessing when a few weeks ago Debbie Fredericks, our co-pastor's wife, told me that both Madysen and Iris had received Christ as their Saviour. Allyson, their older daughter has been accepted to Salem College and is doing very Good. She continues to attend all the services at Freedom Baptist.

So many of the people we ministered to in Mexico have gone on to be with the Lord and others are experiencing bad health as well. Hermana Santa is very bad with cancer, and it is unsure how much longer she has here on earth with her family. Her husband David died a few years ago with heart problems. Hermana Petra is a diabetic and now has to have dialysis three times a week. Do help me to pray for these people who mean so much to me.

The Lord continues to meet my needs each day for which I am so blessed. I see that I am a little bit more unstable on my feet and try to be careful when walking. I do use my cane most all the time or Tom's old rollator here at home. The Cardiologist told me I will no doubt need to have the valve changed in my heart, but he believes I am ok for now. I go back to see him in March 2026. Thank you for your faithful support through your prayers and financial gifts. May you continue to enjoy good health and joy in our Lord.

Sincerely yours ... Securely His,

Nancy Jessup
