I trust you are all doing well in the Lord and have been having a wonderful summer thus far. Summer is certainly in full swing here in Big Timber. This brings many opportunities for events and ministry.

It has become a yearly tradition for us to have a Fathers Day picnic. After church on that Sunday we all gather at the park for lunch and fellowship. We are also looking forward to having our first missionary furlough report. For the first few years in Big Timber, Bible Baptist Church was involved in missions only by supporting a couple missionaries out of our general fund. This year, one of those missionary families, the Uhl's in Nepal, will be coming to give us a report and update. The church will be able to see first hand the fruits of their giving.

The last week in June we completed our 2025 Vacation Bible School. We had one of our biggest years this year with 35 registered kids.

We utilized the answers VBS "Wonder Junction" which took our kids back to the old west. Pray with us that these kids will remember the lessons learned and hide it deep within their hearts.

Thank you all so much for your continued prayers and support of the ministry here in Big Timber. As the church continues to grow, many avenues of direction lay in front of us. Pray the Lord's will will be done in each and every one of them!

In Christ,  
Pastor Trevor Martin  
Big Timber, Montana
