

Dear Supporters,

Just wanted to give you an email update on things that are going on. We have been to several great meetings and Mission Conferences. In September, we took two H.E.L.P. national church planters around and were able to get some monthly support for them. We want to thank the Lord for meeting our needs and keeping us safe on the roads.

Several months ago, God laid on my heart to build a church in Kenya and in Nepal. We can build a church for \$12,000 in each place. We first sent \$3,000 and we just sent \$3,000 again to Kenya. We are writing to let each one of you know, who has been involved in giving, that the total \$12,000 has come in for the church in Kenya, and we will be sending it as they need it. PTL!

We have had \$2,000 sent in for the Nepal church and have been promised \$4,000 more that will be given. I think I just need \$6,000 to finish off the Nepal church.

I have attached some pictures to this email. Hope you enjoy them.

Thank you for praying for us and your financial support.

We love y'all.

Tim McCulley
