*I will lift up mine eyes unto the hills, from
whence cometh my help... Psalm 121*

October 1, 2025

Dear Pastor, Church Family, and Praying Friends,

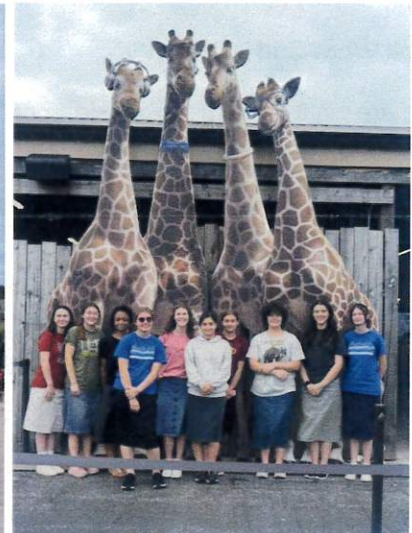

Look What God is Doing!

We are excited at the expansion project going on at Mercy Mountain! We are adding approximately 1200 square feet to the existing girl's home. This additional space is very much needed. Weather has slowed the project, but it is underway.

The summer months have certainly been busy. In July we attended youth camp in GA and went to several Youth Rallies, revivals and camp meetings. It's great to see the Lord working in the lives of these young ladies.

We traveled to Lexington, KY to take a couple of girls to college and were able to visit the Ark while in the area. We all had a wonderful time.

The Lord has allowed us to be in several new churches during the last three months and has blessed us with new support. We thank the Lord for His continual blessings on this ministry.

We were able to enroll an 11-year-old young lady in September. This month we plan to enroll another young lady. We are excited to see how the Lord works in each of these lives.

Thank you to each and every church, pastor, and individual who has supported Mercy Mountain Ministries as well as those who support me personally.

Every need the Lord continues to supply through His people. THANK YOU!

May the Lord richly bless each of you, and may He continue to use you for His honor and His glory.

In Christ,

Lori L. Havey
