Our National Church Planters Have Arrived!

The Fall Tour is under way. These national church planters will be with us from mid-August to first week of November. They will be traveling throughout West Virginia, North Carolina, Tennessee, Kentucky, Georgia, Alabama and Mississippi. Please keep their families and churches in prayer while they are away.

The Southeast tour takes the men to churches in Georgia, Alabama Mississippi and Kentucky during the month of September.

Victor Ocampo of Peru

Please pray

1. For safe travel. Many miles are traveled over the 3 months.
2. For churches to add these men to their mission outreach.
3. For safety of families and churches left behind.

The wounded Warrior Returned Home

After a week into my September tour, my back told me I was not ready for travel. I returned home after our meeting at Crossroads of Life Baptist Church, Canton GA to give more healing time. Missionary Joe Kotvas (Peru) is completing the schedule with our 2 church planters from Peru and Bolivia.
