Dear Supporters and Friends,

As this year closes out, it is with a thankful heart that I can truly say: For the LORD *is* good; his mercy is everlasting; and his truth endureth to all generations. -- Psalm 100:5

God has continued to open doors in my travels and for my schedule.. Your prayers concerning my safety in traveling have been and are greatly appreciated. In the past few months, I visited nearly all my supporting churches. as well as speaking to several ladies groups.

Thanks giving was truly a thankful time. It was the first time in many years that our family was able to be together for the event. Tea was greatly missed, but relish the memories we were able to make this year during the Thanksgiving celebration.

January 5;, will be here soon. That is the day we fly back to Japan. James, his family and I will be flying back on the same plane. Pray for safe travels.

After our return to Japan, the following few weeks we will be finding a new place for me to live in the Nagoya area. Pray for me as I will be facing so many new challenges.

Thank you for your faithful prayers and support. It was good to see all of you and share my heart's desire to serve in Japan.

In Christ,

Rebecca Miyashita
