September 2025

September seemed to be gone before it started. The highlights included: one more saved at Calvary; many more reached through the jail ministry; growing relationships in the chaplain work at the Farmington PD and some great conversations; and a few days away with the family.

God continues to work in amazing ways here in Utah. I had asked for prayer in our weekly updates for a gentleman who had been visiting for about a month. Those prayers were answered a week later when he wept his way to Jesus at the invitation. Keep praying!

My mom and dad came out for a couple of weeks at the beginning of the month to keep house for us while we were away and to help with the ministry. They did an incredible job, along with our little flock. Our people always love having our 'assistant pastor' fill in. It was super special as the last Sunday they were with us, dad was able to lead the gentleman to the Lord. Amen!!

The jail and chaplain ministries are going great. We are having great services each week with a total (men's and women's services) of 60-70+ reached weekly. In addition, there are 10-15 one-on-ones each Wednesday. It was a blessing to have a couple of our officers visit on different Sunday mornings in September. Doors continue to open for some 'serious' spiritual conversations.

Getting away for a few days was refreshing, but it has been awesome to be back in the work. Please keep our family and little flock in your prayers. As you hold the ropes in prayer and faithful support, it allows us to carry on in the place God has called us to. May God bless you abundantly for your faithfulness and sacrifice.
