Pastor's and Christian Friends,

Our Summer here at Grace Baptist Church went very well. We have added a number of single soldiers that are from a ADA (*Air Defense Artillery*) Unit here in Baumholder. Also, one of the young soldiers is very zealous in inviting other soldiers, which is quite exciting to see. Please pray for their faithfulness to all the services.

A lady in our church who I stated a few times in other Prayer Letters is still faithful, and a great witness to the soldiers on base. She works as a Dental Hygienist for the U.S. Army on Smith Barracks in Baumholder, and is able to meet all the new soldiers that arrive or soldiers who need their yearly cleaning. Through her witness a number of families, and single soldiers have attended our services. I thank the Lord for her witness, and boldness.

Last Prayer letter I wrote that PCS (*Permanent Change of Station*) season is during the Summer. Well, we have lost one couple just last week, and could lose two more families before the years end. Usually these PCS moves occur during the Summer, but we are seeing this occur in the fall period. Please pray for new families to fill their spots as they move on to new assignments. Also, we have a number of areas in our church that need to be filled. We ask our churches to pray for Sunday School teachers, someone to do the Finance Books (*at least two people*), and people to get involved in other areas of the church.

Finally Laura and I thank you for your faithfulness in supporting this Missionary work to our U.S. Military in Baumholder, Germany. May God always bless your every need as we close out another year in God's Service.

Until the Next Letter.

Servants for Christ Jesus,

Joseph & Laura Passaro
