Dear Supporters,

We are thankful for the impact Return America has had on our state. I constantly have people thank us for the work which has been accomplished through this organization. I am also thankful that our Dear Lord allows us to be here for the continuing needs that constantly arise from so many different areas. Just this past week, a child in the public school was censored for using the Name of our Lord in the classroom. We were able to immediately provide a letter from our attorney which was presented to the powers that be that brought the delicate situation to an immediate close.

We are continually thankful that we have a constant voice monitoring our North Carolina Legislature and keeping us informed of the happenings there. If you don't receive our emails, I would like to encourage you to go to our website and sign us. Every weekend we keep you informed to the happenings in our state legislature, especially bills which concern our ministries. You may sign up at ReturnAmerica.org.

We continue to be so thankful for your prayers and financial support. You are indeed a blessing and encouragement to our organization. Thank you for remembering us in your financial giving. We can continue to fight for our Judeo-Christian values as you stand with us.

We appreciate you so very much!

God bless,

Dr. Ron Baity
