Greetings in the Wonderful Name of our Lord Jesus Christ,

Recent days has produced a flurry of activities. At the top of the list is HB 193. Return America has worked for 12 years trying to get the North Carolina Legislature to allow the staff in our Christian schools to be legally allowed to protect themselves and their students from those who would seek to do them harm. We are glad to report that beginning December 1, 2025, HB 193 becomes law in our state. This is a tremendous victory for our Christian and private schools.

The efforts of Return America have been very fruitful through the years. We were asked to help remove the pornography in the Burke County Schools. At this writing, the pornographic materials have been removed. We then helped replace the Burke County School Board and were very successful. They now have a conservative board in place.

I was looking at our brochure we share with people about Return America and noted that the victories our Lord has given us has caused us to run out of printed space. The Lord continues to be so powerful and wonderful in providing the needs of so many through Return America.

We thank you for being on board with us. The calls keep coming because there are so many needs. We are honored to be able to help people when they are thrown on the battlefield. Your prayers and financial donations enable us to minister to others when the calls come in.

Thank you, and God bless you!

Sincerely,

Dr. Ron Baity
President
