

August 2025

Please pray for three church plants starting in the next two months. Efforts are being made to reach over 160,000 people with portions of God's Word, tracts, and invitations. We are thankful for over thirty local churches organizing their members to travel in and help with the distribution and opening meetings.

- **September 7 – Riverside, CA** – Revival Baptist with Pastor Daniel Ward; Reproducing church is Fundamental Baptist with Pastor Ernie Merritt
- **September 14 – Rostraver, PA** – Valley Baptist with Pastor Sean Johnson; Reproducing church is Heritage Baptist with Pastor Bob Ross
- **October 26 – Mentor, OH** – Heritage Baptist of Mentor; Reproducing church is Heritage Baptist of Willoughby with Pastor Frank Suglio

I will inform you through email and social media as these church plants progress.

Thank you for investing in furthering the gospel through church planting. May the Lord bless you as you partner with BCPM!
